Bike to Work Day was held on May 12, 2016. The BPAC energizer station was located at the northwest corner of the intersection of Foothill Expressway and Main. BPAC had two tables with refreshments, fruit, cake, musette bags, and handouts. BPAC also collected data on the number of cyclists traveling on Foothill Expressway.

**DISCUSSION**

The bike count started at 6:00 A.M. and ended approximately at 10:00 A.M. The total numbers of riders passing by the BPAC energizer station was 586 (321 Northbound, 265 Southbound). Of those, 68 stopped at the Los Altos BPAC table. This information has been forwarded to the Silicon Valley Bicycle Coalition. There were a total of 172 more riders passing the BPAC energizer station than 2015.
